

# 一、Structure Chart

|      |                         |
|------|-------------------------|
| 3001 | Snap ring               |
| 3002 | Bottom cover            |
| 3003 | Oil pocket              |
| 3004 | Motor casing            |
| 3005 | Lower bearing seat      |
| 3006 | Adjusting gasket        |
| 3007 | Insulation paper        |
| 3008 | Bearing                 |
| 3009 | Stator                  |
| 3023 | Rotor shaft             |
| 3024 | No shaft rotor          |
| 3025 | Gasket                  |
| 3026 | Rolling mechanical seal |
| 3027 | O-ring                  |
| 3028 | Upper bearing seat      |
| 3029 | Flat cable              |
| 3030 | Squeeze ring            |
| 3031 | Squeeze ring gasket     |
| 3032 | Nut                     |
| 3037 | Rivet nut               |
| 3038 | Screw                   |
| 3039 | Rolling mechanical seal |
| 3040 | Snap ring               |
| 3041 | Sand cap                |
| 3042 | O-ring                  |
| 3044 | Plug                    |
| 3045 | Oil cylinder cover      |
| 3049 | Connecting seat         |
| 3050 | Screw                   |
| 3051 | Coupling                |
| 3052 | Pump Shaft              |
| 3054 | Lower shaft sleeve      |
| 3055 | Rubber shaft sleeve     |
| 3056 | Lower bracket           |
| 3057 | Cover plate             |
| 3058 | Impeller                |
| 3059 | Diffuser                |
| 3060 | Impeller gasket         |
| 3062 | Upper shaft sleeve      |
| 3063 | Gasket                  |
| 3064 | Screw                   |
| 3065 | Upper bracket           |
| 3066 | Valve seat              |
| 3067 | Valve plug              |
| 3068 | Pump casing             |
| 3069 | O-ring                  |
| 3070 | Water outlet seat       |
| 3071 | Screw                   |
| 3072 | Screw                   |
| 3073 | Spring washer           |
| 3074 | Nut                     |
| 3078 | Sheath                  |
| 3079 | Guard board             |
| 3080 | Retaining Plate Clamp   |
| 3081 | Strainer                |
| 3084 | Cover                   |
